Retirement Planning Conferences for 2006

The Educational Retirement Group of the Retirement Systems Division with the Department of State Treasurer will be conducting retirement conferences for members of the Teachers' and State Employees' Retirement System and Local Governmental Employees' Retirement System. We are proud to partner with the NC 401(k) Plan for these conferences geared toward all members of the above retirement systems. Our conferences are an orientation for newer members, pre-retirement planning information for members closer to that golden moment and educational for personnel officers and other persons who handle retirement matters. Registration is not required. Some locations may charge a parking fee.
